Qaadashada tallaalka waqtigii loogu talagalay waxay ku siinaysaa difaaca ugu fiican. Haddii ilmahaagu si xun u isticmaalo qiyaastii loogu talagalay, la xidhiidh dhakhtarkaaga si aad u ogaato wixii aad samayn lahayd. Si uu difaac buuxo u helo, ilmahaagu wuxuu u baahan yahay dhammaan qiyaasaha lagu sheegay.

Wax su'aalo ah maka qabtaa tallaalada?

Weydii dhakhtarkaaga Aasaasiga ah, kalkaalisadaada, booqdaaha caafimaadka ama farmashiistaha.

Iskaan mari si aad wax badan uga ogaato
